

DECEMBER NEWSLETTER

The Christmas raffle was very successful and we thank Hazel, Mac, Jackie and Trevor for their hard work.

Grateful thanks go to Christine Clack who made a generous contribution to buying the prizes.

The John Wilcox memorial funday organised by Ron Tomlin has received great support which is very encouraging and we thank Ron for all his hard work in making this day so successful.

We were very disappointed that there was not more interest in the proposed shuffleboard evening or the Christmas party evening. However the Bingo remains very popular. We will look into organising a quiz night in February and hopefully this will prove to be more popular. Please keep an eye out for further details.

Once again can we please ask you all to turn off any lights that are on unnecessarily especially if you are the last one to leave the lounge or bowls area.

Also it is important that all guests are signed in, many members are still failing to sign in their guests. This is a legal requirement as a members club.

Please cooperate and fill in the book correctly.

The competitions have now been drawn please check rules and play by dates. Good luck to all entrants.

Congratulations to the men's over 60s double rink team in doing so well in previous rounds and good luck in the next round against the Isle of Wight on the 7th January. All members are invited to come and support the home rink.

The board would like to wish you all a very happy and healthy new year.
